LÜRZER

Lürzer Alm

NOT PERFECT,  
PERHAPS.  
BUT HAPPY.

Stubborn perfection without surprising interpretations is monotonous and boring. Enjoyment has rather different meanings to us: liveliness, inspiration, freedom. We love and live the cheerful game of long experience meeting spirited creativity. And yes, our eagerness to experiment involves taking a little risk sometimes. That is exactly what makes it so appealing.

# MENU OF THE DAY.

We have always been a little different to most others, and that's why we also tread our own culinary paths. This way, many recipes unique to our house have been created which ensure Lürzer Alm's totally distinctive, inimitable experience of pleasure.

To us, a conscious, wholesome nutrition program means: starter — main course — dessert! And, quite naturally for citizens of the sweet-dishes-superpower Austria, it is dessert which is especially near and dear to us. So it's almost a matter of honour that we bake apple strudel and Co. ourselves.

„Make yourself at home!“ is a sentence you’ll never hear us say. For that would mean having to cook yourself. Laying the table yourself. Doing the dishes yourself. Not being allowed to dance. And maybe even having to keep quiet because of the neighbours. Perish the thought ...

Even though we'd love to — every single delight served by us can't be produced by ourselves. We don't make our own beer and wine (yet), for example. That's why we draw fresh Trumer beer. And we have our very own purveyor Döllerer provide us with excellent wines.

## EDELBRENNEREI GUGLHOF DESTILLERY

Will make gourmet's hearts leap for joy!  
Good schnaps has got something mystical about it.  
So crystal clear and yet full of strength and flavourful  
variety. All our precious brandies come from Salzburg's  
oldest, tradition-steeped Guglhof distillery. Fresh, ripe  
fruit of old varieties meets close to a century of artful  
distillation. We just wanted to let you know.  
Because we value it.

Excluding extra drinks

We love to experiment, to create new experiences of flavour. So it might well happen that a dish has a slightly unexpected taste. Unexpected, but irresistible. We have a similar approach when it comes to wine, by the way. Here, too, we like to try new ways. And that's exactly what you should do.
